Chadwick Public Library News

Congratulations to all our young readers who completed the summer reading program at the library. All who entered, finished.

Hope Church

Please meet us at the Carroll County Fair! Hope United Methodist Church hands out free water bottles at the Fair on August 4, Wednesday, at 4:00 p.m. in the fairground building. Stop by for a chat and water.

First Lutheran Church

Come try your luck at "Chicken Bingo," hosted by P & C Little Rascals, at the Carroll County Fair. Members of First Lutheran Church, Chadwick, will be helping out on Thursday, August 5, and Friday, August 6, as a fundraiser from 4-6:00 p.m.

Village of Chadwick

Please watch out as you are driving before and after school for young children walking to get to and from their designated bus loading/unloading location at either the Lutheran Church, American Legion, or Handel

Park. School will be starting August 20th.

Please contact President Kim Hinrichs at 815-541-4404 or president@chadwickil.com if you would be interested in filling one of two open Board positions.

Lions Club

August will be a busy month for the Chadwick Lions. Starting out with the food stand at the Carroll County Fair. As our club membership has shrunk, we need the Chadwick community to help us out by volunteering to work in the stand. Call 815-718-5764 to schedule a time to help.

On August 9th and 10th we will be hosting the Carroll County All Star Little League baseball games at Handel Park.

On August 26th the Club will host the Red Cross Blood Drive at the Lions/Legion Hall. Lion Jilderda will be leading this event from 1:30 to 6:30.

Looking forward to September, the Club will be having its fall Pork Chop BBQ on the 19th.

The Club's large scale, magnifying machine has been

loaned out to a local lady who is having vision problems. This machine enables the user to read books, magazines and newspapers with ease. The Club has a second machine available if you know someone that could use it. We also have available equipment for individuals with hearing problems that will activate lights when the "doorbell" is activated or the telephone rings. It is also capable of shaking the mattress if hearing an alarm clock is a problem. All of this equipment is furnished without charge and is part of our motto "WE SERVE."

Our regular meetings, the first Tuesday of the month, begin this September 7th at the Lions/Legion Hall. We welcome any men to come and see what it is like to be a Chadwick Lion!
