RESOLUTION TO ESTABLISH A RETURN-TO- WORK POLICY

WHEREAS, the Village Trustees of the Village of Chadwick have determined that the Village should establish a Return-to-Work Policy.

NOW, THEREFORE, BE IT RESOLVED AND DETERMINED by the Village Board of Trustees of the Village of Chadwick that the Return-to-Work Policy of the Village of Chadwick shall be as follows:

The Village of Chadwick is committed to providing a safe work environment for its employees. It is the intention of the Village of Chadwick to provide employees who have sustained work-related injuries with the opportunity to return to or remain on the municipality's payroll during periods of partial incapacity resulting from these injuries. Every effort will be made to ensure that employees receive quality medical care and are returned to the work environment as soon as they are physically able.

Employees who may work in a limited capacity, but who are temporarily not capable of performing the full scope of their regular job duties, may receive a temporary job assignment through the Village of Chadwick's Return-To-Work Program.

Job assignments will be based on specific medical restrictions provided by licensed physicians. If work is available for the injured employee and the physical requirements of such work do not violate any medical restrictions, the employee will be required to perform the alternate job assignment.

The Village of Chadwick's Return-To-Work Program will be coordinated by Matthew Balsiger, Village President. Matthew Balsiger may be reached by phone at (815) 684-5188 or by email at <matthewbalsiger@gmail.com>. Matthew Balsiger is responsible for ensuring that the Village of Chadwick's Return-To-Work Program is being fully utilized and followed.
